MEMORANDUM FOR: Legislation Division
Office of Legislative Liaison

FROM:

Robert W. Magee
Director of Personnel

SUBJECT:

S. 1347 -- "A Bill to Provide Access to Criminal History
Record Information for National Security Purposes for the
Department of Defense, the Office of Personnel Management,
or the Central Intelligence Agency"

REFERENCE:

Your memorandum for D/OS, DDA, C/ALD/OGC, and D/OP,
same subject, OLL 85-2193/2, dtd 31 July 1985, with attached
draft letter from DCI to Sen. William V. Roth, Jr.

1. At your request, we have reviewed the subject legislation and your proposed draft response from the DCI to Sen. Roth.

2. We favor legislation of this kind in principle and have no basic objection to the draft letter. We do note, however, that there seems to be a typographical error in Section 3 of the bill, right after the "(B)" in the definition of "criminal justice agency". We believe it should state, "(B) any Government agency" We also note that Sen. Roth's letter to the DCI specifically asks for an "assessment of the possible paperwork and regulatory burdens which might result from the passage of the . . . legislation"; but no such assessment is given in the proposed DCI response to Sen. Roth.
